

UAF LIFE Patrimoine announces the rates for its leading products

UAF LIFE Patrimoine, created in 2015 when UAF Patrimoine and LifeSide Patrimoine merged, is announcing the rates for the leading policies from its range for the second year.

“Our platform’s strong position is built around its multi-range, multi-insurer offering, enabling our broker and financial advisor partners to benefit from a truly diverse variety of products and services for their customers”, confirms Marie-Anne Jacquier, Chief Executive Officer of UAF LIFE Patrimoine.

| INSURED BY | POLICY | FUND | MANAGEMENT FEES | 2015 RETURN | 2014 RETURN | 3-YEAR AVERAGE |
|----------------------------------|---|---------------------------|-----------------|-------------|-------------|----------------|
| PREDICA | Alyss Laurys | General assets | 1% | 2.20% | 2.50% | 2.53% |
| | Octavie Octavie 2 | General assets | 1% | 2.30% | 2.60% | 2.63% |
| SPIRICA | Arborescence Opportunités NetLife | General assets | 0.70% | 2.55% | 3.00% | 2.95% |
| | Version Absolue | General assets | 1.00% | 2.25% | 2.70% | 2.65% |
| | Arborescence Opportunités Version Absolue NetLife | Long-term Euro allocation | 0.70% | 3.51% | 3.82% | 3.78% |
| | | EuroSélection | 1.00% | 2.81% | 3.42% | 3.41% |
| | Néo Euro Garanti | 1.00% | 3.63% | 2.91% | 3.40% | |
| Arborescence Retraite Madelin | Euro Madelin fund | 1.00% | 3.23% | 3.42% | 3.45% | |

The policies indicated above are sold through UAF LIFE Patrimoine and insured by Predica or Spirica. The performance figures presented are net of management fees and before social security charges. These rates are not guaranteed and past performance is not a guide to future performance. The average figures are calculated arithmetically based on the unloaded participation rates for 2013, 2014 and 2015.

About UAF LIFE Patrimoine

UAF LIFE Patrimoine is an open-architecture distribution platform that designs and selects savings, retirement and tax planning products, then ensures their management and distribution through independent financial advisors. At end-2014, UAF LIFE Patrimoine had over €3 billion in assets under management across its various ranges. www.uaf-life-patrimoine.fr
